

Camp Information - 2019

1. We will be attending our Outdoor Education program departing Morse Elementary on Monday morning, June 3rd at approximately 8:30am and returning to Morse on Wednesday, June 5th at approximately 2:30pm where your child will need to be picked up and taken home.
2. Have your child at Morse on Monday, June 4th **no earlier** than 7:45am. Your child will bring their belongings into the gym and pile it near their cabin roommates which will be listed on the walls. They will also meet their cabin leader at that time. It is okay for your student to ride the bus to school that morning if they can carry their belongings. They will proceed to the gym once the bus arrives at Morse.
3. All medical prescription need to be in **original packaging**, put in a zip lock bag with your child's name on it, and turned in to the office the morning we depart for camp. Nebulizers and other equipment needed for medical purposes will need to come with a prescription and note from the doctor explaining usage and directions.
4. On the morning of departure, there will be two commercial buses that will be at Morse for the Outdoor Education program that will depart at approximately 8:30am. Every 5th grader will stay in the gymnasium until we are ready for loading and departure.
5. It is RECOMMENDED that your luggage be put in garbage bags. The under bus area is dirty and upon unloading, the luggage will be stacked and may fall on the ground which could be wet or raining. Also, please make sure it is labeled or decorated so the students can find their belongings when we unload. Students should have 1 bag of luggage and 1 bag of bedding. Luggage should be about the size of a carry-on as students are responsible for carrying their bags to and from the cabins. Put designer stickers on those garbage bags. All black garbage bags look alike ☹️
6. It is common for parents to see the buses off and wave to their children. Please feel free to do this, but please park in the designated areas of the parking lot.
7. Don't forget... Wednesday, June 5th your child will arrive at Morse around 2:30pm. At that time, you will meet your child at school and take them home.

If you want to send your child a letter, please mail it out a few days prior to June 4th so that it arrives on time to the following address.

Attn: Child's Name
Morse Elementary
Michindoh Outdoor Education School
4545 E. Bacon Road
Hillsdale, MI 49242
